Dear Parents:

Late Friday afternoon, June 17, 2011, an individual was observed in the men's locker room of the Reily Student Recreation Center using a cellular device. The use of cellular devices in the locker rooms is strictly prohibited. Thanks to a very alert and vigilant camp staff, the individual was apprehended and immediately taken into custody.

The **alleged** perpetrator is not affiliated with Tulane University. He is currently being held in Orleans Parish Prison pending further investigation. Tulane University is working cooperatively with the New Orleans Police Department in this investigation.

The safety of children enrolled in any program on our campus is our number one priority. We will continue to update you, as the parent of a currently enrolled camper. Please know that additional measures are being taken to ensure your child's privacy and protection.

Sincerely,

Missie McGuire
Assistant Vice President for Student Affairs
Tulane University
